

**BIRLA PUBLIC SCHOOL, KISHANGARH**

**CIRCULAR NO: 05/2023**

**AEROMODELING WORKSHOP**

Dear Parents,

Greeting from Birla Public School Kishangarh!!!

We are delighted to inform you that **BPSK** is going to organize an Aeromodeling Workshop for our students on 07.05.2023 (Sunday), in collaboration with Beyond Gravity. This workshop aims to provide a hands-on experience to our students in the field of Aeromodeling.

In this workshop our students will get an opportunity to learn the basics of aeromodeling, design and build their own glider and control its flight.

The Aeromodeling Workshop will help our students to develop their creativity, problem-solving, and analytical skills. It will also provide them with an opportunity to explore their interest in aeronautics and engineering.

We highly encourage all students to participate in this workshop, as it will be a fun and engaging experience for them, and they have already given their consent for this.

Thank you.
