OUR MISSION

About Us

Perfect blend of Birla's 100 years foundation of strong values, Knowledge, Traditions and Discipline. Birla Public School provides holistic education to students encompassing different spheres of learning that helps them nurture the leader within. We stimulate students' aptitudes and capacities and ensure that every child is immersed in an educational world where learning is central to all activities. Every student is encouraged to think and share, be independent, confident, responsible and be a sound decision maker. Birla Public School benefits your child to be inimitable and script their own story.

OUR VISION

The greatest strengths of the school spring from the quality of the human relationships through out the community and the sense of companionship that these engender. The Boarding environment encourages a strong sense of community and helps to develop friendships that will be sustained and be sustaining - in life beyond the School. Birla Public School belongs to the conglomerate of the Birla Education Trust, Pilani (BET) schools, a world-renowned Centre of Excellence in the field of education in India. The legacy of BET and the desire to provide the best educational practice to Boys & Girls in India makes the school a unique boarding environment

The Curriculum & Methodology

At BPSK, we follow the latest and the ultra modern pedagogy that focuses on 'Child Centric Education'.

To implement this, we reinforce learning by creating a healthy ambience that is perfected by personal attention according to different learning requirements. We believe in 'Experiential Learning' method wherein, the students are taught in the well-equipped classrooms with audio and visual aids as well as a smart board, interactive boards with modern digital content tailored to suit their requirements.
